1. HRA Website

www.huronrowing.org

All of the material in this manual and more is available on the Huron Rowing Association website. You will find there the various forms and waivers as well as photos from previous regattas. Visit the website often for important notices and updates as well as details on HRA fundraising activities.

The website also has links to regatta websites where you can find directions and racing schedules.

2. Email Addresses

The email groups below are used by the coaches, board and parents' committees for notices regarding practice times, regatta departure times, meeting announcements, fundraising activities and general crew-related messages. **In general, responses should be to the sender only, not the entire group.**

A. All rowers, parents, coaches and HRA members as well as the Huron High School Athletic Director receive messages sent to this email group:

huron.rowing@umich.edu

Only Board members, Committee chair persons and Coaches should send emails to the entire group! Please contact your Coach or the Board officers or the Committee Chairpersons if you would like to send out a broadcast email to the entire organization! Their email addresses and phone numbers are listed below.

Note: We also have a "Guest Book/Blog" link on the web page for those who wish to check in and make contact with current and former rowers:
